MEDIUM

Work through each question in order. Show your working in the space provided where it helps — there's no time limit, just do your best.

- 1 Read: "Many schools are planting vegetable gardens so students can learn where food comes from." What is the main idea of this sentence?

.....

- 2 A pattern starts 3, 7, 11, 15 ... What are the next two numbers, and what is the rule?

.....

- 3 Four friends — Ana, Ben, Cho and Dev — are standing in a line. Ana is not first or last. Ben is immediately before Cho. Dev is first. Write one order that fits all the clues.
